COMPANY OVERVIEW

About Us

STANLEY IMPEX FZC is a distinguished pharmaceutical company based in the United Arab Emirates (UAE), specializing in pharmaceutical sourcing, procurement, branding, and marketing. With a commitment to quality and innovation, we strive to be a trusted partner in the healthcare industry, connecting manufacturers with markets and ensuring access to high-quality pharmaceutical products.

Our extensive network allows us to forge strategic partnerships with leading manufacturers, enabling us to offer competitive pricing and a comprehensive portfolio. Committed to regulatory compliance and quality assurance, **STANLEY IMPEX FZC** is your trusted partner in delivering healthcare solutions globally.

OUR PROCESS

Vision

To Empower global well-being through accessible and innovative pharmaceutical solutions.

We envision a healthier world where our commitment to excellence in pharmaceutical trading contributes to improved healthcare outcomes for individuals and communities.

Mission

Our mission is to play a pivotal role in enhancing global healthcare by sourcing and delivering safe, effective, and affordable pharmaceutical solutions.

Through strategic procurement, thoughtful branding, and targeted marketing, we aim to contribute to the well-being of communities and individuals.

COMPANY VALUES

STANLEY IMPEX FZC's core values include an unwavering commitment to quality assurance, integrity and transparency. We prioritize customer-centric excellence, drive innovation for impactful healthcare solutions, and lead in compliance with regulatory standards. Sustainability and responsibility guide our practices, emphasizing collaborative partnerships and empowering employee development as key components of our drive.

WHAT WE DO

-  **Sourcing & Procuring** : We specialize in sourcing and procuring a comprehensive range of pharmaceutical products, including generic and branded medicines, medical devices, and healthcare supplies. Our dedicated team ensures a streamlined process, maintaining a focus on quality, compliance, and cost-effectiveness.
-  **Global Import/Export** : Facilitate the smooth import and export of pharmaceutical products, navigating regulatory requirements and logistics.
-  **Branding** : We recognizes the importance of strong brand presence in the pharmaceutical sector. We offer comprehensive branding services, leveraging market insights and creative strategies to establish and enhance the identity of pharmaceutical products in the market.
-  **Marketing & Promotion** : Our marketing team employs innovative strategies to promote pharmaceutical products effectively. From digital marketing to traditional channels, we tailor our approach to reach target audiences and create awareness about the benefits of the healthcare solutions we represent. Due to such properties, many of the MNCs have tied up with us to outsource their branding/marketing activities in Myanmar.
-  **Compliance & Quality** : We adhere to the highest standards of quality and regulatory compliance. Our sourcing and procurement processes are designed to ensure that the pharmaceutical products we handle meet or exceed international quality norms, providing confidence to our clients and end-users

FOUNDERS & PARTNERS

Paing Soe Aung

a seasoned pharmaceutical executive, worked in one of Myanmar's top 3 pharmaceutical importation & distribution for over a decade and built a background in international business development and a keen understanding of global pharmaceutical trends. As his previous job experiences brought him closer to many of the niche and high quality pharmaceutical & healthcare products manufacturers from across the globe.

Kyaw Kyaw Aung

on the other hand, brought his expertise in supply chain management and a strong network of distributors from developing and least developing nations of South East Asia. Together, founders have envisioned a company that would excel in sourcing, procuring, supplying, marketing, and sales within the pharmaceutical domain.
